**Focus Development begins construction on Newk's Eatery near Waterford Lakes**

**Orlando, FL (June 15, 2016)** - Focus Development, LLC, a leading construction firm with offices in Orlando and Tampa, has begun construction on a new Orlando restaurant concept Newk's Eatery.

The restaurant is opening at 1448 N. Alafaya Trail near the intersection of Colonial Drive and Alafaya Trail. It is located in the Waterford Oaks plaza near the Waterford Town Center. It will be adjacent Chuy's Tex-Mex, and will share a multi-tenant building with Mattress Firm.

The build-out of the new 4,200 square foot restaurant includes new HVAC, plumbing, framing for ceiling and walls, lighting, tile, mill work, painting, furniture, and kitchen equipment. Construction is expected to be completed in mid- July in time for the July 20 opening.

Focus Development is slated to begin construction on the second Newk's Eatery on University Boulevard in the next month.

"We're excited to be working with Newk's Eatery as they expand throughout Florida," said Chris McAdams, Founder and President. "The staple menu items are tested and perfected by President Chris Newcomb and are unique to the Newcomb family recipes, and thus Newk's was born."
