**Focus Development Construction Company Accelerates Growth with New Office in Richmond, VA**

**Richmond, VA (September 18, 2017)** - Focus Development Construction Company, a leading commercial general contractor that focuses primarily on the retail, office and restaurant industries, recently opened a new office in downtown Richmond, Virginia. This expansion is an effort to accommodate continued growth and leverage the talents of seasoned construction and real estate professionals, Matt Braun and DeVoe Reagan.

This new office will help support the company's growth strategy. A recent surge in construction activity throughout Virginia has accelerated the company's growth and resource requirements. Mr. Braun, who will serve as Vice President of Virginia Operations, has more than 30 years of experience in the real estate and commercial construction sectors, working with such clients as the University of Virginia, YMCA of Richmond, Choice Hotels, Hanover Bank, BB&T, Lowes, Norfolk Public Schools, and Daniel Development. In addition, Focus Development added DeVoe Reagan as Director of Construction. Mr. Reagan has more than 25 years of experience managing retail construction projects throughout Virginia.

"The decision to expand our presence into the Richmond area was a logical step in our business growth strategy," said Chris McAdams, president. "As the popularity of downtown continues to grow, there has never been such a diverse range of restaurant, office, health care and retail options, and we welcome the opportunity to expand our staffing and capabilities with the addition of Matt and DeVoe in this high growth market. We expect this expansion to increase our ability to better serve many of our current clients and afford us the opportunity to develop future client relationships."
